

August 5, 1940.

Mr. John E. Manning,  
Collector of Internal Revenue,  
Treasury Department,  
Federal Building,  
Newark, N. J.

Dear Sir:

Your letter of August 2nd, asking for a copy of the contract between The Newark Eagles and The Community Hospital for the ball game to be played at Ruppert Stadium, Tuesday, August 6th, received.

The ball game is being promoted and played as a civic gesture by The Ball Club, therefore, no contract was necessary. The following are the terms under which the game is to be played:

The rent of Ball Park	\$100.00
The services of the Ball Clubs	\$500.00
Lights of Park	\$65.00

All other expenses of promotion, cost of advertisement, window cards, printing, stamps, etc. to be deducted from the gate. The entire balance to be used to purchase equipment for The Community Hospital. This institution is sorely in need of aid, having no morgue, elevator and many other vitally necessary features for a Hospital, and the only Hospital in New Jersey where Negro doctors can intern.

Thanking you in advance for your co-operation.

Very truly yours,

EM:CCJ
